Friendship

September 2024

Welcome to our Values Assembly

This month's Values song is...

'Count On Me'
by Bruno Mars (2012)

"A value is a principle that guides our thinking and behaviour."

Let's remind ourselves
of all the values we
have in our
Values Toolkit so far...

This month we will be exploring the value of ...

Friendship

tolerance

compassion

kindness

consideration

love

confidence

Which values
can we use
to help us show
FRIENDSHIP?

empathy

positivity

respect

peace

courage

hope

trust

pride self control

responsibility

honesty

patience

self belief

equality

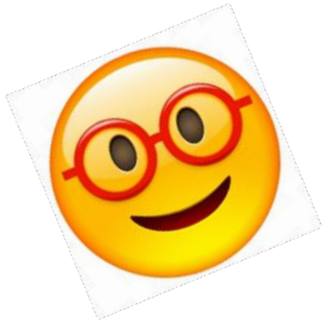

determination

We can show FRIENDSHIP to those close to us or far away.

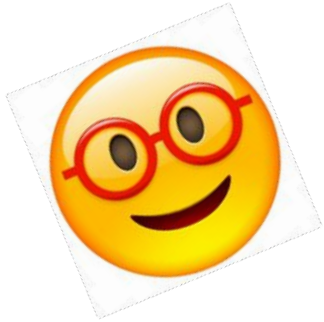

We can show FRIENDSHIP to people who we know and love – or to people who we are just getting to know.

What would you put in your 'Friendship Soup?'

Friendship

*Good friends are like
stars.
You don't always see
them, but you know
they're always there.*

Friendship

A day without a friend is like a pot without a single drop of honey left inside.

Friendship

“Why did you do all this for me?” he asked. “I don't deserve it. I've never done anything for you.”

“You have been my friend,” replied Charlotte.

“That in itself is a tremendous thing.”

E.B. White – ‘Charlotte’s Web’

*"A value is a
principle
that guides our
thinking and
behaviour."*

*How does Friendship
do this?*

What can YOU do
if you are feeling
lonely or feeling as
if you haven't got
any friends.

What qualities
do you look
for in a good
friend?

How can more
people in the world
be more friendly?

What differences
would that
make?

What are the
consequences of
people being
UNFRIENDLY to
each other?

What might stop
one person
being friends
with another
person?
